**HERSETH: SUPPORT FOR RENEWABLE FUELS MUST BE BACKED UP WITH ACTION**

**Renewable Biofuels Key Part of Solution to Skyrocketing Gas Prices and to**

**April 25, 2006, Washington, D.C. - Rep. Stephanie Herseth**

Herseth and leaders throughout rural America have long championed renewable fuels

Last December, the Rural Working Group announced they would craft a plan to combat

The average price for a gallon of gas across the country was \$2.90 over last week's
